# **CRITICAL MASS**

Bicycling's Defiant Celebration

edited by Chris Carlsson

In 1992 Critical Mass bike rides began in San Francisco, and soon spread across the world. Now you can read about it in a new book jam-packed with analysis, opinion, and anecdotes from all over the world. Includes hundreds of photographs, original flyers, posters and sticker designs.

More than a dozen contributions from San Francisco riders, plus articles from Chicago, Montreal, Austin, Toronto, Vancouver, Portland, Lancaster UK, Stuttgart Germany, Milan Italy, London England, Sydney Australia.
