Bike Convergence Space

49 E Houston St (between Mott and Mulberry St) This is Bike Central Station for the duration of the BNC and RNC. Come learn how to fix bikes, buy a cheap bike, help out, and get info on other groups organizing around the RNC. Open 3pm to 9pm from Monday through Thursday; 2pm to 10pm from Friday through Sunday. There will be indoor events here as well, so check with us at the space or online.

www.times-up.org

TIME'S UP! is a non-profit environmental education and direct action group with a wide range of campaigns run solely by volunteers. The Bike National Convention is being held to highlight New York City's communities and environmentally-sustainable approaches and solutions. Reach us on the web or at 212/802-8222.
